

## 2009 MARLBOROUGH SAUVIGNON BLANC

### Winemakers Notes

The settled weather conditions that heralded vintage 2009 allowed us to harvest our best vineyards in fabulous condition. Our 2009 Marlborough Sauvignon Blanc is based on fruit sourced from a number of different vineyards. Each parcel is separately vinified and then assessed blind amongst its peers. When we are making our selection, we chose parcels that give us a range of flavours and aromas to represent what we believe to be 'essence of Marlborough Sauvignon Blanc'.

### Tasting Notes

**Colour:** Marlborough Sauvignon is always very pale when it is young. As this wine ages it will develop straw and green-gold tints.

**Bouquet:** A melange of gooseberry, passionfruit, and nectarine backed with hints of herbaceousness and a touch of sweat.

**Palate:** One aspect of this wine that will set it apart from its peers is the sheer weight of flavour that it has. It has richness and texture and a finish that goes on and on.

### Cellaring

Marlborough Sauvignon Blanc is always at its best in the first 18 months after vintage. The wine will age gracefully for a number of years, but the aromas and flavours will change.

### Food Matches

Young Sauvignon Blanc is a very refreshing aperitif. It is also a great accompaniment to seafood dishes, especially mussels, oysters and squid.

### Suggested Wine List Description

Crisp and refreshing, reverberating with aromas and flavours of citrus, gooseberry and passion fruit. Plus just a touch of herb on the lively finish. A quintessential New Zealand Sauvignon.

### Independent Reviewer's Comment

"Fresh lifted aromas of passionfruit, lime and floral leads to a zesty lively palate with refreshing acidity and a lengthy fruity finish. The wine is well balanced and mouthwateringly tasty. " SK
